Reference: Amended May Monthly Report, received 8/19/11

Dear Ms. Della Rocco:

This letter is in response to your request for additional information, dated 10/24/11 but never received by the Committee.

The above referenced report has been amended to change the ratio disclosed on Schedule H2 for the 2011 Presidential Debate from Same as Previously Reported to New. The Committee notes that this same allocation was previously reported on the original May Monthly Report. In the past, the Commission has directed Committees to always report Event Ratios as Same as Previously Reported once the ratio was initially disclosed, even when amending the report on which the ratio was initially disclosed.

Sincerely,  
Dan Herren
